

Pawnee Nation and Pawnee Nation College employees honored

Pawnee Nation and Pawnee Nation College employees were honored by the Executive Staff on Friday, Feb. 17, 2012. During the luncheon, Pawnee Business Council President Marshall Gover thanked employees for their hard work and dedication to the Tribe stating that each individual “was important and each person has an important job regardless of title.”

Gover also shared his vision of taking the Pawnee Tribe and Nation to a worldwide recognition through building on the foundation already in place and expanding through education, development and faith.

“Right now Pawnee Nation is a small Nation, but mighty in spirit and action,” Gover said. “Our seal represents the Chaticks si Chaticks, “men of men”, that will build Pawnee Nation step by step. Together, we can do anything that we determined to fulfill because we are members of the greatest Nation on the face of the earth.”
