

Tribal members' input crucial to Pawnee Nation's future advancements.

The turnout was large and the list of needs and desires even greater as Pawnee Tribal members gathered recently to determine priorities for strategic planning goals. The meeting held Dec. 15 served as the first step in determining goals for the next three to five years and resulted with information essential in the development of Pawnee Nation's Long Range Strategic Plan.

To ensure an accurate representation, the committee solicits additional feedback from Pawnee Tribal members. Please access <http://www.surveymonkey.com/s/55V6KF5> and complete the survey.
