The Pawnee Nation Learning Center will be closed until July 7, 2020. This closure is due to an employee that has tested positive for COVID-19 today, June 17, 2020. This employee was present at the center in multiple classrooms on Monday and Tuesday of this week. All Pawnee Nation Learning Center employees are in quarantine currently until they are tested. We will be providing information from the Pawnee Indian Health Services over the following information on our Pawnee Nation Learning Center Facebook page. This information is to inform you on how to keep you and your family safe and protected from COVID-19.

- Symptoms per CDC guidelines
- The next steps if received testing through the Pawnee Indian Health Services
- Infection Control Cleaning Tips
- Prevention Tips

We are encouraging all our parents get tested in 7-10 days, as recommended by I.H.S, to help ensure the safety of you, your children, and families. We apologize for this inconvenience but take this matter very serious. If you have any questions or concerns, we ask that you message our Pawnee Nation Learning Facebook page.
