The Supreme governing body of the Pawnee Nation is the Pawnee Business Council which consists of eight (8) members. The Pawnee Business Council exercises all the inherent, statutory, and treaty powers of the Pawnee Nation by the enactment of legislation, the transaction of business, and by otherwise speaking or acting on all matters which the Pawnee Nation is empowered to act. All members of the Pawnee Business Council are elected to a four-year term of office and serve until their successors are installed in office.
Nowa,

Greetings from the office of the President, my hope is this report finds you well and that Attius is looking down upon you and yours in a good way.

The Pawnee Nation continues to move forward in this new year of 2018, and this report will provide information from last year, 2017 to the present. This report provides details of each division and the services that are offered. You will see pictures and articles of the activities which these divisions had a part in and the help that was given to our Tribal members as well as the community. The Pawnee Nation continues to be the driving economic force in our area, providing jobs, services, and cultural resources to the Pawnee area.

Our Business Council continues to work on the new Strategic Plan for our Nation. We are looking at the short term (1-3 yrs.), mid-term (5-10 yrs.) and long-term (up to 20 yrs.) goals and objectives for our Nation. What do we want to look like in the future and where do we want to be? It is starting to get leaner and leaner under this new Administration, and the Nation must look beyond grants and gaming to be a viable, healthy Nation. I am proud of the work our Council does, and we lean heavily on the staff of the Pawnee Nation to help us achieve the goals which we are setting. The downturn in the economy has affected the bottom line for us, but we continue to be resourceful and have scrubbed our budgets to maximize the dollars which we receive. Services to our people are still the main reason we are open, and we have made the continuation of those services as our priority.

Just as the rest of the Tribal Nations continue to work under the continuing resolutions in Congress with no increases in funding and at times, less funding, we have our people looking for innovative ways to create jobs and bring other services to the Pawnee Nation.

Agriculture, we are moving ahead in this field and are developing a strategy to start an Ag-Economic plan. With the assistance of the University of Arkansas, USDA, OSU, and other agencies we are developing the infrastructure to help make the Nation an agriculture people, just as our people were farmers in Nebraska, we are hoping to go back to our old ways and start utilizing our lands to produce great healthy foods. There is a huge demand for fresh produce, and we believe we can meet that need. We look forward to what lies ahead in this endeavor.

I have been busy advocating for our health issues, on behalf of our Service Unit here in Pawnee, the Oklahoma Area, and the National Health issues. Protecting our Sovereign rights, upholding the Govt.’s Trust responsibility and Treaty obligations are very important to our Tribal Nations. I have testified before Congress and have used my voice to help protect our medical and social service. It’s hard to hear of the health disparities we have in Indian Country, but we must continue to fight for our rights every day.

The Pawnee Nation is blessed. We are still here. We have had struggles, but we continue to move ahead. We are known throughout this Country for many things: our songs, our dances, our leaders in many parts of the U.S. and our fighting spirit. We don’t give up and we won’t. I have traveled to many places, and I always hear, NOWA...coming from non-Pawnees. It makes me feel good to hear our greeting coming from other Tribes. Continue to pray for the Pawnee Nation, the Council, and our staff. Let’s uphold all of our people, the young, elderly, the sick, our military, those hurting and those incarcerated. I want to especially recognize those who have lost loved ones this past year. Attius, is good, every good thing comes from Him. I will continue to pray for you.

May Attius bless the Pawnee Nation.

Thank you,

-W. Bruce Pratt
Nawa,

Hello Pawnee Nation! I can not believe it has been another year here at the Nation! 2017 was an excellent year for the staff here because we were able to provide valuable services to our tribal citizens. 2018 will be no different.

There are laws to be passed, projects completed, and yes, Homecoming. All of which will be handled with the respect and professionalism that is demanded by our greater tribal community. As always, I would like to explain what the role of the executive director is, tell you about a historical piece of legislation passed by the PBC, and finally, talk a little about our plans for 2018.

As the executive director, my responsibility is, first and foremost, to the laws, codes, history, and culture of the Pawnee people. I have been in the process of drafting policies and rules that take into account our unique heritage, while at the same time, protecting our Nation from forces that too often do not recognize our cultural Identity. My job is also to administer the government efficiently, ensuring fair hiring practices, appropriate disciplinary actions, and fostering a positive work environment where our employees feel as though they are a valued member of our extended Pawnee family. I have challenged each division, department, and program to reach out to each other and support each other in all facets of governmental activities so that we can all be vested in the accomplishments we achieve.

I am proud to say that we recently passed a new tribal law entitled, “The Pawnee Nation Energy Resources Act.” This Act ensures that we are working with our corporate partners in protecting our valuable natural resources. This Act sets up a permitting process that enables the Pawnee Nation to monitor the oil and gas activity taking place on trust lands. The staff here worked diligently for the year in developing this Act. We wanted it to be fair, comprehensive, less technical, and full of compliance assistance without compromising our right to protect the resources found in our jurisdiction. We think we have accomplished this and look forward to working with industry folks in implementing this Act. This Act is not the only new law in our future. The staff and I plan to grow our Tax, TERO, Environmental, and Agricultural programs here at the Nation.

What does 2018 have in store? Well, we are already gearing up for Homecoming, and we are beginning our Campgrounds Improvement Project. I am also pushing the staff hard in creating an agricultural plan that we can start implementing as soon as this summer. This is a difficult task, but I know the team here can get this done so that the Nation can begin taking a new, positive, path towards strengthening our food sovereignty. We look forward to partnering with our tribal citizens to help make this a reality.

I know that we have excellent employees who diligently work hard every day to provide services with very limited resources. It is a testament to their creativity, ingenuity, work ethic, and skill that the Pawnee Nation is moving forward in such a positive way. I commend them. I look forward to working with every one of you in the future, and I encourage all citizens to become involved in their tribe, their government, and their community so that we can continue to grow and continue to serve. Thank you so much and may our Heavenly Father continue to provide our Nation with the many blessings he has bestowed upon us.

Respectfully,

-Andrew Knife Chief
The Nasharo Council, or Resarakaru’, is the traditional form of Pawnee government. In the past, each band had its own council composed of men who held the position of Resaru or Nasharo based on descent. Negative impacts on the Nation’s population and the influence of the U.S. Government caused each band to drop their own council and instead contribute members to a “tribal” council. This Nasharo Council met with the appointed United States agent to the Pawnee Nation in a government-to-government relationship. This relationship continued when the Nation moved to Oklahoma and lasted until January 6, 1938, when the Pawnee Nation ratified the first “Constitution and By-Laws of the Pawnee Indians of Oklahoma” which created the Pawnee Business Council.

The Nasharo Council, also known as the “Chiefs Council” consists of eight (8) members, each serving four-year terms. Each band shall have two (2) representatives on the Nasharo Council selected by the members of the tribal bands, Čawî, Kitkehahki, Pitahawirata, and Skidi.

The Nasharo Council reviews rules and regulations concerning membership within the Pawnee Nation.

All acts regarding Membership or Claims or Treaty Rights of the Pawnee Business Council shall be subject to review by the Nasharo Council.

The Nasharo Council shall have the right to review all acts of the Pawnee Business Council regarding the Pawnee Nation of Oklahoma membership and Pawnee Nation of Oklahoma claims or rights growing out of treaties between the Pawnee Nation of Oklahoma and the United States provided such acts of the PBC shall be valid and valid unless formally disapproved of the Nasharo Council within 30 days after such acts are referred to the latter Council; where such are disapproved by the Nasharo Council, the PBC may submit them to a referendum of the Pawnee Nation.

The Bands of the Pawnee Nation shall elect their respective representative under rules and regulations prescribed by the Chiefs of each Band. The representatives selected shall serve until the next regular selection of members of the Nasharo Council.

Vacancies in the membership of the Nasharo Council shall be filled under rules and regulations prescribed by the Nasharo Council.

The Nasharo Council shall have the power to establish its own offices and to designate its own officers, to fix its own meeting days, and to adopt its own rules of procedure; provided a quorum is present to transact business. Records of the proceedings of this body shall be kept.

OFFICERS FOR THE RESARU COUNCIL ARE:

Ralph Haymond, Jr. - Head Chief
Pat Leading Fox – Second Chief
Tim Jim - Treasurer
Matt Reed - Secretary

Kitkahaki
Morgan Littlesun – First Chief
Ralph Haymond, Jr. – Second Chief

Pitahawirata

The Pawnee Indian Veterans Organization has honored service men and women, since 1946 with the Pawnee Indian Veterans Homecoming and will continue the tradition though many dances designed to honor Native American culture and veterans from all military branches.

Lexia Kent, 2017 Pawnee Indian Veterans Princess.
The Pawnee War Mothers have always been an active organization within the Pawnee Nation of Oklahoma with many sons and daughters serving in every military conflict and branch of the United States Government. The War Mothers have their own song, and when active duty service members come home, we can request this song at dances to honor our sons and daughters.

In October 2017, we held an election of officers wherein Kathaleen Daniels was elected President, Barbara Attocknie as Vice-President, Rebecca Littlesun-Hawkins as Treasurer, and Denise Miller as Secretary/Chaplain. We are thankful to have supportive Angels who help us achieve all our goals.

The Pawnee War Mothers support our Veteran’s organization as much as possible with their fundraisers, events, and concessions at their Dances. The Pawnee War Mothers have participated in the Pawnee Indian Veterans Homecoming Parade.

We are so proud of our Pawnee Public School students, grades K-5, who have been making Christmas cards for service members the last few years. They make them for Veteran’s Day, and we pick them up at Thanksgiving break. They are then mailed, along with whatever donations we can rustle up, to service members around the world for Christmas.

A tradition of the Pawnee War Mothers is to take gifts to the Veterans Administration hospital in Oklahoma City for Mother’s Day. The Pawnee War Mothers have been blessed the last few years by Robert Smith, a Pawnee Veteran, who has generously donated to this effort in honor of his Mother, Mae Smith, who also took gifts to the VA hospital for Mother’s Day. The picture depicts War Mothers Rebecca Hawkins, Barbara Attocknie and Denise Miller with gifts purchased with Mr. Smith’s kindhearted donation.

The Pawnee War Mothers are very grateful for all our sons’ and daughters’ sacrifices and efforts made for the freedom and peace we enjoy.
The Executive Office provides support to the Pawnee Business Council and also to the various committees and boards of the Pawnee Nation. They also provide support to those tribal members that call or visit the tribal administrative offices on who they need to see or what services they are seeking.

This office keeps the official calendar of events for the Pawnee Business Council and tribal employees.

The Executive Office is located on the first floor of the “Girl’s Dormitory” of the former Pawnee Indian School.

March 3, 2017, Pawnee Nation files Earthquake lawsuit against two Oil Companies seeking compensation for earthquake damages related to recent and ongoing earthquakes. It’s the first time an earthquake case has been filed in tribal court.

Nawa Akitadu,  
2017 has been a busy and challenging year, as Treasurer and Budget Committee Chair, the Budget Committee and I have been addressing not only the identified shortfall of $350,698 but an additional shortfall of approximately $450,000 less in tribal distributions from PTDC. The Executive staff has been tasked with “scrubbing” or reducing the budgets to address this shortfall. As a budget committee, we have diligently monitored the shortfall, and the Executive Director has had to implement restrictions as a proactive approach to strategic budgeting practices. Restrictions affected travel, supplies and hiring freezes this was applied to tribal budgets only. The shortfall, unfortunately, will bleed over into the 2018 Budget Period; however, we are hopeful that the gaming economy will prosper by the second, third and fourth quarter of the year as projected by the PTDC. Another proactive and collaborative approach is that the Executive Director and Finance Director meet monthly with the PTDC CEO to stay abreast of the revenue fluctuations as the PTDC business developments grow. I continue to serve as the Property Committee Chair and PTDC Board Member. The PTDC Articles provide for two PBC members to sit on the board. Since being appointed to the PTDC Board, we have started the PTDC Strategic Planning process. The PTDC BOD hope to have this completed and finalized mid-2018. As a part of this process, we will be meeting with the PBC to ensure the plan ties into the PBC strategic planning goals. Further, the PTDC BOD have identified underdeveloped practices that will be developed into policies and procedures which will serve to strengthen the organization’s infrastructure for generations to come. I continue to serve as the Southern Plains Region (SPR) Representative to the Department of Interior (DOI) Tribal Interior Budget Council (TIBC) allowing me to serve as an advocate for the Pawnee Nation on a regional and national level. The TIBC provides a forum and process for tribes and Federal officials to work together in developing annual budget requests for Indian programs in the Department of the Interior. This year the TIBC has developed a Budget Formulation Process Improvement work-group in which I serve as the primary representative for the Southern Plains Region. The task of this group is to provide recommendations to the full TIBC that will improve this process to make it fair and equitable across regions. Because not all regions have the same priorities and concerns. TIBC also provides cooperative participation within Indian Affairs (IA) budget formulation, justification, and information. TIBC meetings also serve as an education forum to better inform tribes of the IA budget process and advise on the status of Indian Country initiatives throughout the Federal Government. Most importantly, this allows me to explain our issues directly to DOI from a local tribal perspective. The Nation submitted this year’s priorities to the BIA; the top five are Law Enforcement, Tribal Court, Scholarships and Adult Education, Aid to Tribal Government and Indian Child Welfare.

The Budget Committee completed and presented the 2017 Comprehensive budget to the PBC for approval September 13, 2016. I want to again thank the budget committee for their hard work. The Budget Committee consists of the following positions and individuals; Executive Director, Andrew Knife Chief; Administrative Affairs Division Director, Muriel Robedeaux; Finance Division Director, William “Harrison” Perry; Planning Division Director, Brian Kirk; Grants and Contracts Specialist, Laura Melton and myself PBC Treasurer and Budget Committee Chair, M. Angela Thompson. The Pawnee Business Council serve as Ex-Officio members and are
invited and welcomed to all budget committee meetings.

Further, I want to thank Ms. Muriel Robedeaux and others who worked on the 2017 and 2018 Indirect Cost Proposals. Great job!!

Below, I am providing a financial table that identifies the 2016 to 2017 budget comparison, 2017 expenditures by funding agency and program and carryover or unspent funds for 2017. Also, I am including a glance into 2018 by providing Resolution #17-51 passed by PBC on August 9, 2017, approving the 2018 Comprehensive Budget and Comprehensive Budget Summary. This resolution identifies Estimated/Projected Revenues by source and the Estimated/Projected Expenditures by Fund, i.e., Tribal and federal. The budget summary provides a comparison of approved budgets from 2017 to 2018.

Also, I am providing travel information as requested by tribal members, I was asked to provide travel information, and this information is included below.

Further, please see the following information; this list provides an approximate total revenue in the amount of $1,696,693 as of December 2017, that can be utilized for government operations, maintenance, and special projects.

Please note that a portion of these funds fund the general fund budget.

We have utilized funds from these sources for Higher Education subsidies; K-12 School Clothing Allowance; Cultural Resource Division; Program Requests for additional allocations for tribal citizen benefits. The Council is currently researching and looking into the following projects: Agricultural projects, Bison Project, ICDBG Campground Project and other special projects that will benefit the Pawnee Nation and its citizens.

Please do not hesitate to contact me if you have any questions related to the information provided in this letter and the tables below.

I thank you for your continued support as we strive to have clean audits in 2018 and in our initiative to achieve Self-Governance status. I can be reached via email at athompson@pawneenation.org. My vision, hope, and prayer for each of you is that you have good health, wealth, prosperity and know that I take my position very serious and I work hard each week for all of you in the work I do for the Nation.

Tatachikstehu!!

M. Angela Thompson,
Treasurer Pawnee Business Council

The PAWNEE NATION OF OKLAHOMA - 2017 ANNUAL REPORT

## 2017 Budget Comparison to 2016 Budgets

The table below provides a budget comparison from the 2016 Approved Budget to the 2017 Approved Budget as approved by the Pawnee Business Council, in accordance with the Nation’s fiscal policies. The Pawnee Nation operates on a Calendar Year (January through December). We also have federal programs that operate either on a federal fiscal year (October 1 through September 30) or a program year determined by the federal funding agency. Further, the shaded area of the table below provides the total expenditures expended or spent by budget for the 2017 budget period. The last column “2017 Budget Variance” identifies any funding left or “carryover” by budget; these are funds that have not been spent within the 2017 calendar year budget period. These funds are handled in different manners depending if they are federal or tribal funds. The federal “carryover” funds must be requested to be carried over to the next budget period; the request is sent to the cognizant federal funding agency for approval. However, some federal programs authorize carry over without making requests; this is identified within the federal program requirements when the federal award is received. Tribal dollars are sent back to the Treasury or General Fund to be appropriated by PBC for the next years comprehensive budget unless the PBC explicitly identifies that these funds can be utilized until expended when appropriated by Tribal Resolution.

The table below provides total net travel for each year. 2016 net totals are provided as a baseline measure for comparison. Please note that the election term years overlap, hence there are PBC members listed who are no longer on the PBC. In 2016 we initiated the adherence to the policy that all travel requests be made at regular PBC meetings. They are now included as a standing agenda item. PBC travel is associated with national, regional and local meetings that benefit, advocate, provide training or facilitate government-to-government consultation. PBC may serve on national, regional or local committees, boards, workgroups, etc. some of the travel is reimbursed by agencies that we serve, the table below includes these adjustments that have been received at the time of this report submittal. Travel is used to gain information, consult and advocate for funds that benefit the general health and welfare of our citizens. The information received from each travel should be brought back and implemented to work for the benefit of our people. If you have any questions relating to travel, please feel free to ask any PBC member.

Over the past six years the Nations assets have increased substantially. Investments in capital assets (the Round House, Elder Center, Pawnee Nation Resource Center), fiscal stewardship and settlement proceeds from the Salazar and Ramah lawsuits are responsible for the increase. Due to fiscal shortfall in 2017 and depreciation total assets decreased from 2016 to 2017.

In 2017 the tribe spent about 502k to members to assist with education, burial, housing, training, utilities and other emergency needs.
PAWNEE NATION TRIBAL OPERATIONS
2017 REVENUES

PAWNEE NATION TRIBAL OPERATIONS
2017 EXPENSES
Collectively the goals of the tribal government are to preserve its cultural heritage and language; support elder and youth services; advocate for educational opportunities at all levels of instruction; increase healthy lifestyles; expand economic development to increase job opportunities; preserve natural resources; provide housing opportunities and to protect the general welfare of its people.

Through Federal Assistance Grants the Nation is able to provide services that help address the needs of the Pawnee tribal community. The administration and financial management of federal grants requires a thorough knowledge of all applicable laws, regulations and administrative procedures. The Pawnee Nation has an effective system in place to apply for, administer and to report financially on the grants and contracts awarded to the Nation. Further, the Nation’s policies and procedures clearly define the responsibilities for financial and grant management; the policies and procedures also apply to the tribal funded programs as well. In addition, this system allows for effective reporting back to tribal leadership.

Below is a list of the 2017 award amounts listed by funding agency.

For further information on the programs mentioned above, contact the program coordinators, managers, or directors whose information is listed in this 2017 annual report or call the Pawnee Nation at 918-762-3621.
The Finance Department of the Pawnee Nation manages, directs and oversees all financial activities for the Nation in support of the goals and objectives of the Pawnee Nation government.

The Pawnee Nation government ensures fiscal integrity for the organization to provide reasonable assurance that transactions made with tribal or federal dollars are authorized, reasonable, allowable and are in compliance under the guidance of OMB 2 CFR Part 200; the Pawnee Nation of Oklahoma's Fiscal Policies and Procedures; the Governmental Accounting Standards Board (GASB); and the Generally Accepted Accounting Principles (GAAP).

There are many roles and functions that define the finance department which includes being responsible for the safekeeping of the Nation's funds, ensuring all the Nation's assets are safe, accurately recorded and reported on, as well as ensuring that proper internal controls are in place.

**THE CORE FUNCTIONS OF THE FINANCE DEPARTMENT ARE:**

- **Accounts Payable** – Records and processes payments for tribal and federal expenditures.
- **Accounts Receivable** – Records funds received for payments.
- **Payroll** – Make sure employees, committees and commissions are paid accurately and on time.
- **General Accounting** – Reports, reconciliations, journal entries, analysis.
- **Budgeting** – Assists in creation and maintenance of annual budgets, monitors budgets.
- **Reporting** – Produce reports to show how tribal and federal funds are being spent.
- **Internal Controls** – Adhere to separation of duties and risk assessments; roles clearly defined
- **Cash Flow** – Responsible for ensuring funds are available for all payments due.
- **Capital Assets** – Proper recording of inventories and equipment.
- **Audit** – Prepares for organization-wide annual audit, responsible for follow-up work.

Aside from the list of functions mentioned, there are other responsibilities of the finance department; collectively the employees of the finance department are here to serve the Pawnee Nation government, tribal members, other employees, program directors and managers, vendors, in addition to other tribal organizations and federal agencies.

The finance department works toward having solid and sound financial records and has an annual independent audit conducted to ensure the financial systems of the Nation are in order, and financial information is accurate. The financial records of the Pawnee Nation are reviewed by federal funding agencies and other users of financial information, including the Pawnee Nation government. When the annual independent audit is submitted to the Federal Audit Clearinghouse, it is made available to the various funding agencies that have funded the federal programs administered by the Pawnee Nation. The finance department is responsible to follow-up on any recommendations made by the auditor.

The Pawnee Nation Planning Division is an integral part of the Pawnee Nation organization. The Division's focus is to achieve the mission and vision of the tribal government as they actively exercise their tribal sovereignty. Within the Division are the Planning Office; Brian (Wabjejak) Kirk, Director; the ICDBG Program, Reva Howell, Coordinator; and the Grants and Contracts Office, Laura Melton, Manager.

Since being hired in the later part of 2016, the new Planning Director has taken the responsibility in developing a new strategic plan for the Pawnee Nation. The tribe has been lacking a strategic plan since 2000. Meanwhile, the Planning Director takes the opportunity to update essential documents; for example, the Election Act to modernize it to today’s standards. Also, the Planning Department has taken on many roles to ensure a high-quality performance in delivering a new vision for the tribe and Pawnee Business Council.

This year, the Planning Division is going to be heavily working on a Tribal Strategic Plan; as well as, a Comprehensive Economic Development Strategy Plan (CEDS) for the Nation. Both plans will provide a vision and a direction that will enhance our ability to reach both internal and external goals. The planning team and other key partners are developing our Agriculture program to provide a sustainable food system in our region. Also, we are actively researching new opportunities. Other future goals that the Planning Division are striving towards is creating more interaction with our Divisions and tribal members. We plan on getting more input from others that will strengthen our ability to provide more sustainable services to our people.

**PLANNING AND TRIBAL DEVELOPMENT**

This department is responsible for bringing new ideas to the table and collaborating with other divisions and programs that will increase the services to the tribe. The Director plays a considerable part in the development within the Pawnee Nation’s tribal organization by working side-by-side with the Pawnee Business Council and all the other Divisions and their programs. The Planning Director assists in the development of a strategic plan. This plan will increase the productivity and organize the overall structure of the Pawnee Nation’s vision.

**GRANTS AND CONTRACTS** goal is to ensure that the federal grants are completed, and the federal contract or grant funds are expended by applicable laws and regulations.

**ICDBG PROGRAM** utilizes HUD funds to serve the community better. They play a significant role in developing various projects which include: decent housing, suitable living environment, and economic opportunities.

ICDBG PROGRAM

The Indian Community Development Block Grant (ICDBG) provides eligible recipients with direct grants for use in developing viable Indian and Alaska Native Communities, aimed at low and moderate income persons/families. ICDBG funds can be used in 3 different funding areas:

HOUSING
Rehabilitation, land acquisition for new housing and new housing (limited circumstances).

COMMUNITY FACILITIES
Infrastructure construction (roads, water & sewer facilities), single or multipurpose community buildings.

ECONOMIC DEVELOPMENT
Commercial, industrial, agricultural projects which may be recipient owned and operated or which may be owned and/or operated by a third party.

(2017, March 9) “U.S. Department of Housing and Urban Development”

In the past the Pawnee Nation has benefited from ICDBG funding for a number of years, in the 2000's alone, the Pawnee Nation has received more than 10 million dollars, from the Department of Housing and Urban Development (HUD), in funding. For the past 5 years the Pawnee Nation has been awarded 4 of 5 submittals, which are:

2014-PAWNEE NATION RESOURCE COMPLEX
Also new construction, this facility houses the Tribal Employment Rights Office (TERO) complete with a computer work area and library to better serve their clientele and also houses the Indian Child Welfare (ICW) office which includes offices and a family waiting area. Grant Amount $800,000, Notice of funding October 2014; building opened in October 2016.

2015-PAWNEE NATION AQUATIC HEALTH CENTER
This addition to the wellness center is an indoor salt-water pool. Grant Amount $800,000, Notice of funding February 2016. Due to funding, we had to put this project on hold.

2016-PAWNEE NATION CEREMONIAL CAMPGROUND & NATURE FIT TRAIL
This project will revamp the campground area, inclusive of a new restroom/shower facility, new dance arbor, electrical upgrades, and new nature fit trail complete with exercise stations. Grant Amount $800,000, Notice of funding September 2016. This project is now underway. We are in the preliminary stage now, so be on a look out for several community meetings. We want to gather tribal input for both the campground and nature fit trail design.

2012-PAWNEE NATION ELDER CENTER
This new construction provides a permanent space for the Title VI program to provide hot meals and recreational area to the Elder Community. Grant Amount $800,000, Notice of funding April 2012; building opened in October 2014.

THE PAWNEE NATION OF OKLAHOMA - 2017 ANNUAL REPORT
Muriel Robedeaux is the Administrative Affairs Director and provides administrative oversight of four Departments of the Pawnee Nation and administers the Aid to Tribal Government Contract.

The departments that are within the Administrative Affairs Division include:

- **Information Technology Department**, temporarily located in the Resource Center;
- **Communications Department**, located on the 2nd floor of Building 64;
- **Procurement Department**, located in Building 64; and
- **Enrollment Department**, located on the first floor of the Health & Community Services Facility.

Other duties other than oversight of the four departments listed above include review and revision of the Fiscal Policies and Procedures, Organizational Chart changes, sitting on the Budget Committee, Proposal Review Committee and is a member of the Executive Staff.

This past year’s accomplishments have included assisting the Finance Division in the development of the Indirect Cost Proposals for 2018 and the 2017 Budget Call.
INFORMATION TECHNOLOGY DEPARTMENT

It is the purpose of the Information Technology Department (IT) to provide the Pawnee Nation and its programs support and services in the area of Information Technology. The services provided include network administration, systems administration, desktop support and consulting & procurement services directly related to tribal computer systems. The office carries out its roles and responsibilities to applicable departments and programs that secure such services through indirect cost contributions.

EXECUTIVE SUMMARY

The first quarter of 2017, Due to the Earthquake we had to move the servers from bldg. 64 to the Pawnee Nation Police Department. The Server Move was a success with very few issues.

The second quarter of 2017, Office 365 package was purchased in this quarter, the setup and migration are underway and will take some time because we could not get a third party to aid in the migration. The investigation into the server issues we have been experiencing is ongoing.

The third quarter of 2017, the mail migration to office 365 is complete. We still have a lot of work with some of the other features such as Share Point. We have had some hardware issues with the backup power to the servers, and some of the legacy fiber that was installed in 2012, the indoor fiber that was used is not holding up to being in the ground.

The fourth quarter of 2017, even though we had several holidays and illnesses this quarter, we still accomplished a lot. We have been rolling out more parts of the Office 365 packages to improve productivity. We are always searching and researching for more innovative ways to improve the quality of our services to the Pawnee Nation.

OBSTACLES

Budget restraints are always an obstacle for the Information Technology industry. Trying to keep up with new technology for infrastructure and desktop support is an expensive task. The budget cuts and working on a minimal budget is and will be a significant obstacle for the IT department.

We have had some issues this year with a legacy program that was influencing the servers and forcing them to shut down in a hard boot; this causes the mail server to lose some log files and forget where to mount the databases. We have had to rebuild mail several times this quarter. We have found the legacy program and removed it.

We had lightning strike the network at the DECS building. Because of this, the building needed to be rewired, and the networking equipment replaced. This project took a lot of time away from the Office 365 setup.

We will have to replace the original fiber in the ground between the buildings because of its deteriorating status. We have already had to replace a section of the fiber to the Elders Center building.

ANNUAL GOALS AND OBJECTIVES

The IT Department’s goals were to keep our IT infrastructure running, with minimal downtime.

TRAVEL AND TRAINING

Various online training through knowledge Net, YouTube videos, and webinars was attended by all members of IT.

We have been invited to join the Oklahoma Native American Technology Council (ONATC). The IT Manager has yet to have the time to attend one of these meetings. We hope to change this soon.

IT Manager, Security specialist, and Administrative Affairs Director attended Tribal Net Conference in November. This conference provides contact with vendors and previews of new technology that could potentially be very useful for the Pawnee Nation.
The Procurement Department was developed in mid-2015. We started with just one employee, and now the Procurement Department consists of two employees; Cory DeRoin Little Wounded, Procurement Manager, and Walterene Hare, Inventory/Travel Clerk.

The Procurement Department now arranges and reconciles travel, for all programs, and coordinates physical inventories, of all eligible property, purchased by Pawnee Nation Programs. We have also been tasked with providing administrative support for the Pawnee Nasharo Council, a long with the Pawnee Nation Election Commission. The Procurement Manager approves and/or advises, on all purchasing activity. This is the scope, of the Pawnee Nation Procurement Department. We look forward to serving the Pawnee Nation Programs, throughout 2018!
COMMUNICATIONS DEPARTMENT

The Communications office updates content on the Pawnee Nation official website; disseminates all employee email announcements; maintains the Pawnee Nation social media platforms: Facebook, Instagram, Twitter, and YouTube. The Communication office is the central hub for gathering content from all the tribal departments and is in charge of designing the ‘Chaticks Si Chaticks’ official publication ‘newsletter’ that is mailed out to tribal members.

The Communication office also films Pawnee Business Council meetings, and other various events to archive and share on social media platforms, so tribal members can watch online. Photography is taken at various events to upload to Facebook or online. Videos are uploaded to the Pawnee Nation YouTube account and or on the Pawnee Nation of Oklahoma official Facebook page.

The Communications Manager Jeana Francis is an enrolled Pawnee Nation tribal member specializing in media and design. The Communications office filmed (22) Pawnee Nation Business Council meetings, designed (5) Chaticks Si Chaticks newsletters, (1) 2017 Annual Report book, filmed (15) Pawnee Nation events or Community Meetings, and helped increased interactions on various social media platform as an outlet for information.

If any tribal citizen would like to submit an article or artwork for the Chaticks Si Chaticks, please notify the Communications office.

The Tribal Courts are a separate branch of the Pawnee Nation Government as outlined in the Pawnee Nation Constitution and By-Laws; to provide for the establishment of a Law and Order and Judicial system to “protect peace, safety, health and welfare of the members of the Pawnee Tribe.”

The Judicial Branch of the Pawnee Nation is comprised of the Pawnee Nation District Court and the Supreme Court. The Supreme Court is the Nation’s highest court with appellate jurisdiction over cases appealed from the District Court. The Supreme Court is the final authority on the Constitution and Laws of the Pawnee Nation.

The District Court of the Pawnee Nation is the court that initially hears most cases arising within the tribal jurisdiction. Included in these cases are family, juvenile, criminal, protective orders and general civil cases. These cases may be brought by or against tribal citizens or by the Pawnee Nation. The Court decides cases based upon the laws of the Nation and has to interpret those laws. Cases are heard by the two District Court judges. If an appeal is taken from a decision of the District Court, the Pawnee Nation Supreme Court hears the case. The Chief Judge and Associate Judge of the Pawnee Nation District Court each serve a six-year term. Dianne Barker-Harrold serves the District Court as Chief Judge, and Phil Lujan serves as Associate Judge. Other District Court staff includes Earl Lawson, Prosecutor and Cynthia Burlison, Public Defender. Suzie Kanuho serves as the District Court Clerk, and Brandi Wheatley serves as Deputy Court Clerk.

The Pawnee Nation Supreme Court consists of five Justices. The Pawnee Nation Supreme Court is vested with the judicial power and exclusive appellate jurisdiction over all civil and criminal matters that fall under the jurisdiction of the Pawnee Nation. Mark Echo-Hawk serves the Supreme Court as Chief Justice. Associate Justices are Gregory Smith, Kyle Haskins, Chad Harsha and Angel Smith. Each Justice serves an eight-year term. Suzie Kanuho serves as the Court Clerk for the Supreme Court.

The Pawnee Nation District Court is funded through a P.L. 93-638 contract with the Bureau of Indian Affairs. The Tribal Court also receives modest supplemental funds from the Tribe to offset the contractual services of judicial staff. Annual funding allocations for the Tribal Court are $66,635 from the BIA and $106,353 supplemental Tribal funds for 2017.

The Pawnee Nation District Court works with the Pawnee Nation Division of Natural Resources and Safety, Pawnee Nation Attorney General and the Pawnee Nation Executive Director in the implementation of the Notice of Violation (NOV) process. The NOV’s are citations that are issued by the Rangers and Environmental Health and Safety Specialist who patrol and monitor any violations that have occurred on any Pawnee Nation trust properties, including Pawnee Nation Tribal Development enterprises. Violations include, but are not limited to: water and environmental violations such as illegal dumping of household garbage and other household items; raw crude spills; health code violations in Pawnee Nation eating establishments. The Notice of Violation provides the violator/defendant a “Date of Compliance” or due date for penalty payments, and an appeals process. Upon request for an appeal, the defendant will receive a court date and time for a hearing. Penalty/ fines payments for the NOV’s are paid to the Pawnee Nation District Court. A Trust Fund...
has been established for the deposit of these funds. These funds are not to be distributed or withdrawn without an Order of the Court.

The Pawnee Nation Courthouse is open Monday through Friday from 8:00 a.m. to 5:00 p.m. and closed for lunch 12:00 p.m. to 1:00 p.m. The Courthouse is also closed in observance of all tribal and federal holidays.

The Pawnee Nation Police Department operates under a five-year contract with the Bureau of Indian Affairs to provide for the safety and well-being of the Pawnee Nation. Currently, the tribal police department operates with one Chief of Police, one Assistant Chief of Police, three patrol officers, and one Dispatcher/Administrative Assistant. Schedules are prepared by the Chief of Police to maintain coverage 24 hours a day/7 days a week. Officers provide daily patrols of tribal members residences in rural areas as well as residences within the city of Pawnee. Officers also provide daily patrols on the tribal businesses and casinos located within the jurisdiction of the Pawnee Nation. As part of local community service, the police department offers the Pawnee Nation District Court, Indian Child Welfare, Substance Abuse Program and the Pawnee County Department of Human Services with drug testing on individuals. The law enforcement staff is Chief of Police David Kanuho, Assistant Chief of Police Harold (Gene) Howell, Officer George (Bob) Horn, Officer Pat Leading Fox, Officer Donna Hogan and Dispatcher/Administrative Assistant Courtney Turner.

Under the BIA contract, the police department must adhere to the BIA Law Enforcement standards. This includes bi-annual firearms qualifications, 40 hours training annually, criminal and drug report submitted monthly, random uniform, equipment and vehicle inventory inspections, annual physicals, and perform a yearly Physical Efficiency Battery (PEB) Test.

Officers are required to perform the Physical Efficiency Battery (PEB) which is a fitness test to keep officers physically fit for their duties as an officer. This test consists of a Body Composition test which measures the body fat; Illinois Agility Run which test the officers ability to get up from the ground and sprint while changing directions; Sit and Reach test which measures the officers flexibility in the lower back, legs and shoulders; High Jump which measures the height an officer can jump; Bench Press which test the officers upper body strength for one repetition; and a 1.5 Mile Run to prove the cardio/respiratory fitness of the officer. Officer Donna Hogan is the department's certified Fitness Coordinator who administers the PEB.

A service the department has provided was assisting with opening lock vehicles. Due to liability issues, beginning January 1, 2018, the police department will no longer provide this service. We apologize for any inconvenience this may cause.

During 2017, the Pawnee Nation Police Department responded to the following criminal offenses:

- One (1) Breaking and Entering;
- One (1) Harassment;
- Two (2) Receiving Stolen Property;
- One (1) Theft of Utilities;
- One (1) False Pretense;
- Four (4) Theft of Property Lost, Mislaid or Delivered by Mistake;
- Four (4) Larcenies;
- One (1) Forgery or Counterfeit; and
- One (1) Dangerous Drug Offense.

The police department has responded to the following non-enforcement calls for service during 2017:

- 364 Assistance to Citizens;
- 208 Assistance to Other Law Enforcement Agencies;
- 30 Court Processes;
- 148 Public/Community Services;
- 28 Traffic Warnings; and
- 21 Assistance to the Sick/Injured.
The mission of the Division of Health and Community Services (DHCS) is to improve the overall wellness and lifestyle of Pawnee Tribal members and Native Americans within our community. DHCS accomplishes this by providing services such as health education, substance abuse counseling, nutrition, physical fitness, preservation of family, safety planning, and youth development. The Division of Health and Community Services consists of eight programs under four departments: Health-Community Health Representatives/Health Education and Special Diabetes Program for Indians; Prevention-Substance Abuse Program and Pawnee Pride; Nutrition Services-Food Distribution and Title VI; and Children and Family Services, Ti-Hirasa Domestic Violence Program and Indian Child Welfare.

One of the goals of the DHCS Director is new program development. DHCS welcomed in two new programs: Domestic Violence Prevention Initiative (DVPI) and Family Violence Prevention/Domestic Violence Shelter and Supportive Services (FVPSA).

Another goal of the DHCS Director is program compliance (training, reports, etc.) to funding agencies, Pawnee Nation, and DHCS. The following trainings were DHCS sponsored and/or attended: Leadership, Personal Trainer, QPR, Trauma, Active Shooter, Cyber Security, CPR/First Aid, Food Handlers, and NIMS.

The DHCS Office oversees the tribal assistance programs: elders, disability, and emergency. The following are non-reoccurring clients who received tribal assistance: (84) elders, (22) disabled tribal members, and (44) emergency cases. DHCS also oversaw the Donation Assistance Program which is funded and previously managed by the Pawnee Business Council. Forty (40) tribal members received donation assistance.

Lastly, the Division of Health and Community Services has the Wellness Program which promotes health promotion and disease prevention through nutrition and physical activity. The Wellness Program sponsors community-wide physical fitness opportunities such as Zumba, Fitness Classes, and Tumbling.

OTHER DHCS ACTIVITIES INCLUDE:
- Set up a game/booth at the Child Abuse Prevention Event in April;
- Set up a “Truck or Treat” at Fall Festival in October;
- Set up a game/booth at the Southern Oaks Nursing Home Halloween Carnival in October;
- Participated in Native American Heritage Month by sponsoring “Wear Your Heritage; and
- Shirt and Walk with Ancestors” in November.

The purpose of the Pawnee Nation Indian Child Welfare (ICW) Program is to provide services to families and children that are enrolled Pawnee Nation Tribal Members, by preventing the breakup of the family in crisis situations. Services offered are preventative casework/intervention, family reunification, adoption and permanent placement, counseling/referral services and advocacy/monitoring court cases in tribal and state systems. ICW also recruits and certifies Indian homes to serve as foster care placements for Tribal children removed from their homes due to neglect or abuse.

The Pawnee Nation ICW Program consists of the ICW Coordinator, Amanda Farren and the ICW Assistant, Megan Mulder. Ms. Mulder hired on as the new ICW Assistant in March 2017. The Pawnee Nation ICW Program provided case management services to both state and tribal cases including referrals for services and transportation to children and families. The ICW Coordinator completed (73) home visits to children and families involved in Pawnee Nation Tribal cases and state cases. The Pawnee Nation ICW Program worked closely throughout the year with the Department of Human Services, Pawnee Nation Law Enforcement, Pawnee Nation District Court, Court Appointment Special Advocates (CASA), Bureau of Indian Affairs, and other service providers to ensure that appropriate services are provided to children and families. The ICW Assistant continued to process membership eligibility requests for children received by state agencies. There were (145) member requests handled in collaboration with Pawnee Nation Enrollment Office this year. The Pawnee Nation ICW Program assisted the community/tribal members through Title IV-B, Subparts 1 and 2 Promoting Safe and Stable Family funds.

The Pawnee Nation ICW Program participated in several community events throughout the year. The Pawnee Nation ICW Program in collaboration with the Division of Health and Community Services held a Child Abuse Prevention Event in April. There were over 200 people present at the event. The Pawnee Nation ICW Program also participated in Pawnee Nation Health Fair, the Standing Bear Pow Wow, Youth Summer Camp, and the Fall Festival. The Pawnee Nation ICW Program coordinated a Christmas Angel Tree and was able to provide gifts for (24) Pawnee children for Christmas.

The ICW Coordinator attended the 2017 National Indian Child Welfare Conference held in San Diego, California in April. The ICW Coordinator and ICW Assistant participated at the Oklahoma Indian Child Welfare Conference in Shawnee in November. The Pawnee Nation ICW Program seeks to maintain updated information on the Indian Child Welfare Act and any resources available in better assisting children and families.

Ti-Hirasa Domestic Violence Program is a confidential support service to victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking. We serve all of Pawnee County regardless of age, economic status or race. We prioritize Native American women and members of the Nation. Our mission is to provide prevention and awareness and increase victim safety and offender accountability. The program provides many services including education, cultural healing, safety planning, transportation to shelter or relevant appointments, court advocacy, women’s and children group, anonymous phone or text consultation and much more. We also have community events and training, volunteer opportunities, legal assistance, and emergency victim assistance provided to women.

Our three main areas of focus are criminal justice intervention, victim services, and prevention. Ti-Hirasa Domestic Violence Program provided services to (37) new clients this year and (11) previously established clients.

**THESE ARE JUST SOME OF OUR PROGRAM HIGHLIGHTS:**

- Assisted in the planning and hosting the 6 Nations Walk Against Domestic Violence with over 250 people in attendance;
- Assisted with 21 Protective Orders; of 16 granted;
- Assisted (25) victims of abuse with legal retainer fees for custody, protective orders, and family matters to help assist in the escape of domestic violence;
- Transported (30) people to shelter, court hearings, medical appointments, and other relevant places to help the women become empowered.

The Food Distribution Program (FDP) is a federal program that provides USDA foods to low-income households, including the elderly, and to Native American families residing in designated areas near reservations and the State of Oklahoma. Our service area is all of Pawnee County and the northern part of Payne County. The program serves as an alternative to the Supplemental Nutrition Assistance Program (SNAP, formerly known as the Food Stamp Program).

The Food Distribution Program receives the food shipment once a month and produce shipments arrive once a week. FDP staff continues to make courtesy calls to our participants a week before the end of the month, to remind clients to come and pick up their food. Food is given out over the counter, and the participants pack their food. Program staff provides carts and help participants load their food into their vehicles. Program staff also continues to make home deliveries to the elders, disabled, and to those households that have no transportation.

The program continues to provide around (100) food products for our participants. This includes fresh produce and frozen food items. For 2017, the traditional food items such as bison, blue cornmeal, salmon fillets, and wild rice, remained favorite program foods. The bison and blue cornmeal are permanent food items in the program, but the salmon fillets and wild rice are bonus items and not always available. Holiday hams were different than the hams we have previously received. They were the smoked pit, 5 lb instead of 3 lb ham. We receive positive feedback from them.

For 2017, the program participation averaged around (278). Home deliveries averaged around (14) for the year. These deliveries are made primarily to elderly and disabled participants, who are not able to come to the office. These participants receive a shopping list, so they can call in their food orders and have their food delivered the same day.

In March, staff attended one-day training for Certification and also a one-day training for Warehouse in Oklahoma City. The instruction is given by our Southwest Regional SWIFT organization with the regional USDA staff conducting them. The in-state training allows all FDP staff who may not be able to attend the National Conference, attend training which is very informative. FDP staff also participated at the 2017 National Conference at St. Louis, MO in June. The team participated in the general session to hear program matters and to attend breakout sessions.

In September, United States Department of Agriculture (USDA) had monies available, and the program was able to purchase a very much needed forklift. The Hyundai 3-wheel Electric Forklift Model replaced our 20-year-old Hyster Forklift. The forklift is used for the monthly food shipment truck and to put the food away on the shelves in the warehouse.

The Elders Program can provide nutrition services, supportive services, and family caregiver support services to elders within the Pawnee Nation service area. The program assists elders in gaining access to a nutritious noon meal; promotes socialization of older individuals by providing activities; delivers meals to home-bound individuals as well as offering a variety of caregiver services, and has Grandparents-Raising-Grandchildren intergenerational activities.

Program staff and volunteers serve eligible elders, spouses of elders, caregivers by delivering nutritional meals to the homebound and provides meals at two congregate sites; and provides information/support to non-paid caregivers of our fragile elders. Elder Center Congregate Lunch and Salad Bar (Monday-Thursday): 11:30 am - 12:30 pm. Non-elder 59 years and younger may purchase a $7 meal after 12:10 pm.

Title VI staff and volunteers planned and implemented activities for program participants:

- Intergenerational;
- Foster Grandparent Program;
- Peer Socialization; and
- Enhancement to improve the quality and neurological well-being of elders.

The Pawnee Nation financially supports the Elder Center program with approximately 2/3 of the total cost of operation. Three (3) staff and (9) volunteers provided services to about (195) elders. Title VI also utilizes a network of providers from the Pawnee Nation Division of Health & Community Services and the Pawnee Indian Health Center to conduct homebound intake, nutrition screening, nutrition education, nutrition assessment and counseling, if appropriate.

2017 HIGHLIGHTS:

1. In 2017, Title VI Program served 7,715 congregate meals; 7,306 homebound meals; and provided 1,186 rides;
2. The Title VI Advisory Board actively met at least once a month to offer direction on activities and program suggestions;
3. Elders attended health fairs, local cultural events, out of town shopping trips, Thanksgiving meal at Otoe-Missouria Title VI Program, and sponsored a Holiday meal for the Otoe-Missouria Title Program;
4. The Grandparents-Raising-Grandchildren program opened 42 savings accounts (youth savings account for vocational or college education); and
5. Sixteen (16) Elders attended food banks on a regular basis.

The Pawnee Nation Division of Natural Resources and Safety was established and implemented in 2010. It consists of four Departments:

- Department of Environmental Conservation and Safety;
- Department of Transportation and Safety;
- Department of Fire and Rescue, and
- Department of Emergency Management.

Although each Department within the Division has its mission and service objectives, each Department shares a much common interest and overlapping services concerning natural resources and safety. Placing these Departments under a common Division enables direct collaboration and efficient services.

The Division of Natural Resources and Safety has continued to develop its objectives through the ongoing collaboration among its Departments. Each Department continues to identify their targets and achieve their goals as resources and priorities allow. The Director is continuing to work with the DNRS Department Managers to identify critical services, staffing, and associated funding needs.

THE FOLLOWING ARE AN OVERVIEW OF EACH DEPARTMENT:

**PAWNEE NATION DEPARTMENT OF ENVIRONMENTAL CONSERVATION AND SAFETY**

The mission of the Pawnee Nation Department of Environmental Conservation and Safety (DECS) is to provide for a comprehensive-multimedia natural resource management service through policy development, education, compliance assistance, and enforcement—resulting in wise stewardship and utilization of natural resources throughout Pawnee Indian Country.

The DECS is tasked with the implementation of Title XI (Conservation Code), Title XII (Natural Resource Protection Act), and Title XIII (Energy Resource Protection Act) of the Pawnee Nation Law and Order Code.

Title XI is the Pawnee Nation Environmental Conservation and Safety Code which primarily provides for the protection of Tribal Harvest Privileges including fish, wildlife, and timber.

Title XII is the Pawnee Nation Natural Resource Protection Act which provides for the protection of water, land, and air resources. The “Act” established Pawnee Nation’s Environmental Regulatory Commission in addition to the authority for the development and implementation of needed protective Regulations.

Title XIII is the Pawnee Nation Energy Resource Protection Act which establishes the requirements of notification, reporting, and monitoring for exploration, extraction, and marketing of the energy resources within the Pawnee Nation.

The primary land uses with the Pawnee Nation are oil and gas extraction, and agricultural. The Pawnee Nation recognizes that while agricultural uses of the land have little to no impact upon the oil and gas operations, oil and gas operations can have significant impact upon the competing uses of the same lands such as agricultural and residential (Pawnee Nation Agricultural Resource Management Plan, BIA, 2010). Permitting of energy resources extraction activities such as oil and gas exploration, drilling, hydraulic fracturing, production, product transport, waste transport and disposal activities, and general access (in situ services) will provide for the needed notification and authorization of all aspects of oil and gas operations within the Pawnee Nation.

The DECS services are funded primarily by USEPA and Pawnee Nation. USEPA programs include the General Assistance Program which provides for capacity building and solid waste and hazardous materials type incident response and enforcement, CWA
Section 106 which provides for water resource investigations and enforcement monitoring, and CWA Section 319 which provides for Non-Point Source pollution assessments and management. Pawnee Nation funds provide for activities not directly covered by Federal assistance (water rights issues, fish, and wildlife harvest issues, etc.)

Activities highlighted for the FY 2017 period include the development and adoption of title XIII (Energy Resource Protection Act), Chapter 15 (Water Resource Use and Permitting) of Title XII, and Chapter Two (Pawnee Nation Waste Water Regulation). Implementation of the newly adopted laws and regulations will be implemented under FY18.

The Department of Environmental Conservation and Safety (DECS) is primarily funded under assistance agreements with USEPA. Obligations under these funding agreements include capacity building, solid and hazardous waste management, water quality standards development and enforcement, and non-point source pollution management. Activities occurring which are outside the scope of these obligations are under direct Pawnee Nation funding which is estimated to be approximately 15% of the total DECS budget. Activities under these ‘non-federal” funds include Food Code enforcement, Structural Building code enforcement, Energy Code Enforcement, Electrical Code Enforcement, Plumbing Code Enforcement, Mechanical Code Enforcement, and Fire Code Enforcement. The DECS provides the environmental health and safety inspections and certifications for the commercial services and gaming facilities within the Pawnee Nation.

The DECS has received a grant from the BIA to assist in the development of the Pawnee Nation Water Plan. The Pawnee Nation contracted USGS to help in the project. USGS will establish needed hydrologic-data analysis.

PAWNEE NATION DEPARTMENT OF TRANSPORTATION AND SAFETY

The Pawnee Nation Department of Transportation and Safety (PNDOTS) strives to maintain the safety and integrity of Pawnee Nation streets, roadways and bridges while continuing to plan and develop new strategies to insure the continued growth and development of the Pawnee Nation transportation infrastructure.

PNDOTS receive Tribal Transportation Program (TTP) funds, formerly known as Indian Reservation Roads (IRR); for our allocations, to fund the expenses of daily operations which include: planning, research, design, engineering, construction, maintenance services, and (RIFDS) road inventory.

2017 PROJECTS & SERVICES
- Safe Routes to School sidewalk project;
- Long Range Transportation planning with Pawnee and Pawnee County;
- Developed Oil & Gas, Right-of-Way Regulation;
- Performed Fleet Management activities;
- Update Pawnee Nation National Tribal Transportation Road Inventory;
- Presented at the Pawnee Nation Health Fair on Impaired Driving;
- Partnered with Pawnee County Sheriff on Drug & Alcohol Awareness safety t-shirts; and
- Performed routine maintenance, including snow & ice removal.

PAWNEE NATION DEPARTMENT OF FIRE AND RESCUE

The primary mission of Pawnee Nation Department of Fire and Rescue is to protect life and property from the adverse effects of fires, medical emergencies, or exposure to dangerous conditions through fire suppression, rescue, disaster preparedness, fire prevention and community education.

Pawnee Nation Fire and Rescue firefighters were dispatched to approximately 52 runs in 2017. The dispatches include 10 Wild-land Fires, 10 Structure Fires, 11 Vehicle Accidents/Medical, 3 Hazmat calls, ten mutual aid runs, and eight severe weather events. Also, activating the Emergency Operations Center during the incident monitoring and providing for medical assistance during larger Pawnee nation events (Pow Wow, Tribal events)

Other services that Pawnee Nation Fire and Rescue provide are:
- Fire Code Enforcement;
- Fire Inspections;
- Fire Investigations;
- Fire Prevention/Station Tours for Local Schools and Community; and
- Emergency Medical/CPR Training.

Due to the strenuous nature of this volunteer service there are open positions in which Pawnee Nation Fire and Rescue are always seeking to fill with persons willing to obtain certification and be able to respond.

The mission of the Pawnee Nation Education Division is to provide educational and supportive services to Pawnee Nation tribal members and federally recognized tribal members residing in our jurisdiction to enable members to obtain the skills needed to become productive individuals and contributors to their respective families and community. The Education & Training Services component provides: assessment, assisting with job searches, temporary job training placements, assistance with vocational training programs, resume preparation, supportive services as well as needs related payments. Higher Education Scholarship serves eligible tribal members with a supplemental scholarship nationwide; Youth Services provides supplemental assistance for tribal and other Native Americans with school supplies, school fees, incentives for academic achievements, camps and JOM parent committee collaboration. Youth Supplemental Fund provides school clothing/supplies assistance to all tribal members nationwide. Child Care serves parent and families of children eight weeks to 8 years.

This year marks a full year for the current staff serving the education and workforce needs for tribal members. As the staff became more familiar with their jobs, policies, and overall understanding of our community’s unique needs we became more effective with trying out new strategies and collaborations.

HIGHLIGHTS FOR THE DIVISION FOR 2017 WOULD INCLUDE:

- Spring Break Camp 2017, March 13-17;
- Collaborating with Pawnee Seed Preservation Project;
- Summer Reading Program, Tîrà’iwâwâtu, “They Are Telling Stories” during June for early readers utilizing the Indian Reading Series;
- Summer Camp 2017 collaborating with OSU Scientists, Aug 7-11th;
- Native American Leadership Conference at NOC July 6th;
- Education & Training Open House September 13th;
- College Fair at Roam Chief October 4th;
- Fall Break Blue Corn Harvest Oct 19-20;
- Education Division Logo Contest and Art Exhibit November 14th; and

This year we are excited to adopt a new logo designed by winners Michaela Childs and Cameron Bailey. We will use this logo on all our promotional items to represent our division. Check out our Facebook page for our upcoming events: Pawnee Nation Education and Pawnee Nation Higher Education Scholarship. We look forward to continuing to serve needs to the best of our capacity.
The Education and Training Department provides services to assist clients to obtain job skills that lead to securing and retaining a position of self-sufficiency. These services include; completion of a GED or High School Diploma, Work Experience (WEX). Vocational Training Program, Job-Related workshops and Supportive Services that vary depending on the need of each participant. All individuals interested must meet eligibility requirements through an application process providing documentation including active enrollment in a federally recognized tribe, proof of residency in Pawnee Nation jurisdiction and meet income/employment eligibility. Once individuals are certified eligible, they will need to make an appointment for completion of an intake process. This will include a Basic Skills/Barriers Assessment, Individual Education/Employment Plan (IEEP), approaching goals/objectives and developing a timeline that will lead the participant to reach the goals/objectives to self-sufficiency and gainful employment.

We offered workshops in Interviewing Tips, Resume Building, and Financial Literacy for the Summer Youth workers; we provided a basic Computer class during October. We had four clients participate in Work Experience; we had three (3) complete short-term coursework in the medical field. We held an Open House to recruit more clients and let them know of our services. For Summer Youth Work Experience we tried a new strategy of rotating work-sites; next year we plan to modify the rotation.

We are excited to receive a generous donation of Dell computers in the near future which will be an upgrade for our computer lab.

The purpose of the youth services department is to work in collaboration with the Pawnee Public Schools and Pawnee Johnson O’Malley (JOM) Parent Committee to better serve Native youth. Youth Service is not only responsible for the After-school and Tutoring program, but also issuing out our new re-loadable Youth Supplemental Visa Cards.

Sign up for the visa cards is easy! Just complete a new applicant application with a copy of the students enrolled CDIB and mail/fax it to the Youth Services Coordinator. To be eligible for this program the student must be in Pre-K through 12th grade, and a Pawnee Tribal enrolled member. These funds are for all school-related purchases such as clothes, shoes, backpacks, or school supplies. The funding is renewed every Spring (Jan 1st - May 1st) and Fall (Aug 1st - Dec 1st) semester. At the end of each semester, all remaining funds will be pulled from the visa cards and placed back into the Youth Supplemental Funding Account. To reload the visa card, the Youth Services Coordinator will need the original receipts and a renewal form each semester from the school.

The JOM act ensures that Indian Children receive educational opportunities that would not otherwise be provided. The program provides supplementary financial assistance to meet educational needs of Indian Children. The Pawnee JOM parent oversees students that attend Pawnee, Glencoe, Cleveland, Yale and Jennings Public Schools. To be eligible PL-99-228 states “the student is one who is a member of or at least one fourth degree Indian Blood descendant of a member of an Indian Tribe which is eligible for the special programs and services provided by the United States through the Bureau of Indian Affairs to Indians because of their status as Indians.”

During the 2017 school year, the JOM Parent Committee helped pay school fees, purchase school supplies, provided senior graduations stoles and senior gifts for our JOM students. The JOM Parent Committee are as follows: Mary Hawkins, Chair; Vice Chair Vacant; Megan Mulder, Secretary; Shelby Turner, Treasurer; Raven Clark, Parent Rep.

**SOME EVENTS THE YOUTH SERVICE DEPARTMENT WERE A PART OF INCLUDE:**

- March 2017 Spring Break Camp;
- June 2017 Summer Reading Camp, Summer Youth Work Experience;
- July 2017 Native American Youth Leadership Conference (NOC Tonkawa);
- August 2017 Summer camp, School supply hand out;

The Pawnee Nation Learning Center provides child care services for children eight weeks of age through eight years old. Our license is through the Oklahoma Department of Human Services as a 2-Star Child Care Facility. The Pawnee Nation Learning Center works in partnership with the Child Care and Development Fund program which operates the Pawnee Nation Child Care Assistance Program that offers childcare service assistance to qualified applicants.

**TO QUALIFY FOR CHILD CARE ASSISTANCE, THE FOLLOWING CRITERIA MUST BE MET:**

- Meet income guidelines;
- Parent or child has CDIB;
- Live in the service area; and
- Parents working or attending school.

The Pawnee Nation Learning Center also accepts DHS subsidy, Private pay, and other tribal subsidies.

The Learning Center employs nine full-time teachers and a part-time cook in addition to the Director and Assistant Director.

The daily schedule for children one year of age and older include quality learning activities that involve center play, craft activities, circle time, reading time, outdoor play, and rest time. Lesson plans are made to focus on learning that is developmentally appropriate to the child's age.

Our school-age children can have a snack and work on homework at the after-school program. They also enjoy time in the gym and outside as weather permits. Summertime activities include some learning time to keep fresh the math and reading skills they have learned during the school year. The Children participate in various activities throughout the year.

Cultural Resource Division (CRD) houses our Language, Museum, Tribal Historic Preservation Office (THPO), Native American Graves Repatriation Act (NAGPRA), Repatriation and culture Departments. Our Jurisdiction includes our Pawnee Reserve, our cemeteries, Chilocco Property, property in Nebraska, and property that is “Restricted or held in trust” for our citizens by the federal government.

Herb Adson is CRD Director, Marti Onlyachief is Administrative Assistant, Matt Reed is THPO, and Maggie Rice is NAGPRA Specialist.

2017 ACCOMPLISHMENTS:

CRD had three repatriations of human remains; all took place in Dannebrog, NE. We continued to host Chief’s Day, held on President’s Day, and organized Fullblood Day. These are done to honor our former chiefs and our remaining Fullblood citizens.

We sponsored a Handgame during Nation Native American Month and worked with our local schools, and other Pawnee Nation Divisions/Departments.

Our Division continued our reunion with our Arikara Relatives from North Dakota. The gathering is a long time vision from our old folks, hopefully, this will keep as an annual celebration.

We assisted other departments with their youth camps and cultural events. We also attend regular Chief’s Council Meetings to update them.

Our staff attended training to help and assist us with our jobs. Some of the places we traveled to are the Chicago Field Museum, Gilcrease Museum in Tulsa, Massacre Canyon, NE, and Dannebrog, NE during the Total Solar Eclipse in August 2017.

In May we had a dance for the rededication of our Roundhouse after Pawnee Artist Jeremy Fields designed a mural for inside walls.

CRD assisted with Tulsa TV station doing a story on Mose Yellowhorse, the first Fullblood Indian to play major league baseball.

Our THPO Office continues to work with other agencies for FCC compliance and section 106 of National Historic Preservation Act.

Our NAGPRA Office continues to work on return of White Fox regalia from European Museum.

EMPLOYMENT DEVELOPMENT:
TERO offers
- Resume Building Help;
- Cover Letter Writing Help;
- How to nail the Interview (what to do and not do); and
- Resource Center computer lab to help assist in the job application process.

COMMUNITY:
- TERO negotiated construction job opportunities for Indian workers on (4) projects;
- Stonewolf Construction, Resource Center, BIA Projects, PN Earthquake Repairs;
- TERO helped the Pawnee Nation Elders with Yard Care, Spring and Summer 2017;
- Saving the Nations Elders over $20k in lawn care costs;
- TERO provided seasoned firewood to elders, ceremony and funeral feasts; and
- TERO Provided an Organic Vegetables from the Green House Garden.

FINANCIAL:
TERO has the unique ability to levy fees on all construction contracts on Tribal jurisdiction. We also can levy fees on employers on Tribal jurisdiction. These funds collected goes back to the Nation's General Fund. These funds off-set and provide additional financial resources for the program and the Nation. PNTERO program was implemented in 1996 and has existed for 22 years. The TERO program generated over $300k in TERO fee's in 2017. The most ever collected by the PNTERO program in 13 years.

The Pawnee Nation Gaming Commission is an agency established by the Pawnee Business Council. The Pawnee Nation Gaming Ordinance was enacted in 1999 and revised in February 2017. The ordinance created the opportunity for Gaming Activities to be conducted on Tribal Lands and created the Gaming Commission to regulate the Gaming Activities. The Gaming Commission's goal for gaming is to provide a safe environment and protect the integrity of the games offered on Nation Lands.

Funding for the Gaming Commission is by the assessment of revenues from Gaming Activities on Pawnee Nation Lands. This assessment is a rate that is decided each year and levied against the previous year's Casino Operations Gross Gaming Revenue, which is audited by a Licensed external Certified Public Accountant.

This year, the total of the assessments for 2017 against Casino Operations was $441,384.70.

The Gaming Commission currently oversees the Surveillance Department at StoneWolf Casino. The Pawnee Nation implemented some staff reductions which caused some inefficiency in some operations, but the staff adjusted to meet the needs of the Casino Operations. Despite these adjustments, the Surveillance Staff has continued to staff the department on a 24/7 basis.

We license the following entities:
- Gaming Facilities;
- Employees of Gaming Facilities;
- Employees of Vendors who provide gaming related services to licensed Facilities; and
- Non-Gaming Vendors (Permit).

During the expansion, the Gaming Commission held several Special Meetings, reviewed licensing procedures, fee structure and revisions of the fee structure associated with Gaming and Non-Gaming Vendors. The new fee structure is a graduated fee scale. The fees increase as business levels increase.

In the past year, multiple rule changes and revisions to the Gaming Ordinance were accomplished and allowed:
- Appeals of actions by the Commission (Appeals Procedures);
- ID Card updates;
- Table Games Regulations;
- Gaming Vendor, Non-Gaming Vendor definitions;
- Facility Licensing Standards; and
- Financial Reporting Standards.

We assisted the Casino Operations, specifically Stonewolf Casino, in every way possible. During the Annual Audit, the Pawnee Nation Gaming Commission took the initiative to apply the Tribal Internal Control Standards during the Annual Audit; beneficial for both the Casino Operations as well as the Gaming Commission.

Stonewolf Casino sought to add Table Games to the gambling offerings. The Pawnee Nation Gaming Commission promulgated the necessary rules to allow the Casino to expand its offerings.

The Pawnee Nation Gaming Commission wants to focus on the regulatory improvements possible with some of the reports the Commission was able to obtain through the Annual Audit, the National Indian Gaming Commission Assessment, and the incident and compliance reports received throughout the year.

More changes will be sought with the Pawnee Nation Gaming Ordinance to allow flexibility to facilitate the best opportunities for growth. Goals for the next year also include strengthening the knowledge of the Commission's Support Staff, expanding the Licensing Department, and increasing the use of technology for the Gaming Commission's daily functions.
The Pawnee Nation Tax Commission provides the oversight of the Pawnee Nation Tax Commission Office. The Pawnee Nation Tax Commissioners are Kathy Daniels, Director; Martha OnlyAChief, Assistant Director; Secretary, Vacant; Treasurer, Vacant; and Ann Collins, Sergeant at Arms. The Tax Commission office staff is Lyle E. Fields, Tax Manager, and Dina Johnson, Tax Assistant. The primary responsibilities are the issuance of Pawnee Nation tribal tags, the collection of sales tax fees on merchandise, tobacco and liquor sales within tribal jurisdiction. The Tax Commission issues business permits related to tobacco sales and jewelry/food vendors on tribal land. It is also responsible for a collection of revenues on oil and gas sales on Pawnee Nation jurisdictional land.

The Pawnee Nation Tax Commission issues Pawnee Nation tribal automobile, boat, and travel trailer tags to tribal members residing in the State of Oklahoma, have an established Oklahoma residence, valid Oklahoma driver's license, and insurance verification. The Pawnee Nation Tax Commission staff keeps apprised of any changes in regulations related to tribal governments to ensure the best services/functions to our Pawnee tribal members.

The Pawnee Nation merchandise depicts the tribal seal, tribal flag or other designs reflecting the Pawnee culture. Merchandise includes, but is not limited to, t-shirts, sweatshirts, bibs, tote bags, towel bags, refrigerator magnets, tribal seal/flag patches, Pawnee Nation tribal flags and Veteran flags, tribal seal window decals, tribal seal lapel pin, and desktop Pawnee flags. The Pawnee Nation also sells the Pawnee Nation Pendleton at the Tax Commission office and is currently priced at $175. The Pendleton is a must-have for Pawnee Tribal Members that want to display the Pawnee Nation Tribal Flag in their home or at special events in public.

Revenues collected by the Pawnee Nation Tax Commission are utilized by the Pawnee Business Council on behalf of the Pawnee Nation to supplement tribal programs and tribal operational needs.

Although 2017 was a very challenging year for the Economic Development Arm of the Pawnee Nation, Pawnee Tribal Development Corporation (TDC) made significant strides with developing and growing economically for the self-sufficiency of the Pawnee Nation. Total employment opportunities increased to a corporate record while annual revenue increased at several locations, including StoneWolf Casino, in the midst of an expansion project where revenue was expected to decrease as a result of construction and limited parking. Finally, the construction company, Kuruks, grew its revenue by 218% and received the REI Oklahoma, minority enterprise 2017 award for construction firm of the year!

Going into 2018, the TDC Board of Directors will be continuing efforts in completing a 5-year strategic business criteria platform that will be utilized with identifying potential business ventures to pursue in the upcoming years and to continue with diversification outside of gaming. Since 2014, PTDC has four new business ventures (Teepee Casino, BJ's Quick Stop, Snak-N-Pak, Pani Star Designs) that have all experienced upward trends in revenue and held a 24.77% share of total revenue created throughout the corporation in 2017.

TDC also matched the highest ever recorded Pawnee employment percentage of 33% in April 2017. The total native employment percentage for employees in upper level corporate or management positions was recorded at 64% in November 2017. In 2017, 16 upper-level positions were filled with the following percentages; 50% Pawnee and 75% Total Native. Along with this data supporting current tribal preference hiring practices, the 2016 Oklahoma Economic Impact Report was released in 2017 that provides an analysis of employment statistics throughout the state of Oklahoma in 2015. TDC drastically exceeds the averages for Rural Oklahoma Indian Casinos with both enrolled citizens and other tribal citizens.

The Human Resources department has been key to these contributions related to tribal preference in hiring. Other areas of accomplishment in 2017 for the HR department include the following; launched an online benefits portal, made insurance adjustments to minimize the cost compared to 2016, put forth efforts to improve the training program and develop the HRIS in Paycom, and conducted community outreach efforts such as meeting with youth and providing educational presentation on HR and business as well as hosting a local job fair.
The Trading Post Casino and Teepee Casino continued to provide consistent gaming revenue in 2017. The Teepee Casino had a 5.4% increase in revenue from 2016 to 2017 and had produced a lifelong increase of 11.8% since opening in 2014.

StoneWolf Casino completed the first phase of expansion in 2017 with the addition of the first ever Table Games department for the Pawnee Nation. Many improvements at the facility during this project including many areas of Information Technology, an increase to the gaming floor with to a total of 329 gaming machines and a new high limit area, and renovations to Howler’s BBQ bar and restaurant.

There was also a new back of house area created that provides additional office and storage space, a state of the art conference room, employee break room, and designated area for manned surveillance.

The Table Games Department was a huge undertaking in 2017 and is already providing returns with the addition of this new aspect of gaming to StoneWolf Casino. For the Table Games Manager position, StoneWolf Casino hired Mitzi Moore, an enrolled Pawnee tribal member, with several years of experience working in other tribal and non-tribal table game operations. Through her efforts and the assistance of Global Gaming Solutions, a Chickasaw owned company that provided consultation, the department was able to go live on September 21st. This was not an easy feat because of all the tasks involved with building a department from scratch such as working with a variety of vendors, developing new controls and procedures for table games, and customizing items such as the table, felts, chips, cards, and podium.

StoneWolf Casino is happy to report an annual total drop of $449,400 in the short calendar year and a total win (including ante) during this timeframe of $118,960.00, which results in a 26.47% hold for the table games. The biggest monthly drop reported was in November of $139,143 when the Table Games Department launched the Big XII Championship Trip Giveaway Promotion. Please help us promote this exciting new experience that StoneWolf Casino has to offer!

The TDC gaming compliance committee completed the 5th Version of the System of Internal Controls (SICS) which received approval from the Gaming Commission in September 2017. This 180-page document contained comprehensive revisions that also included reformatting the entire book for a cleaner read and more consistency, the addition of table game policies and an improved Title 31 section.
Kuruks, LLC company started and completed the following projects, with all projects finishing within budget, and incurring no lost time for personal injuries:

1. King’s Gate Daycare, OKC, OK;
2. Meeker Animal Hospital, Meeker, OK;
3. Stone Wolf Casino Expansion, Pawnee, OK;
4. Pawnee Nation Earthquake Repairs, Pawnee, OK; and
5. Grisso Mansion Waterproofing, Seminole, OK;

Also, KURUKS was awarded the following construction contracts in 2017, with completion slated for 2018:

1. Solar PV Design-Build-Department of Justice, KC, MO;
2. Kegelman Auxiliary Airfield-Generator Replacements, Jett, OK;
3. Cherokee Nation Outpatient Health Clinic (Specialty Subcontracts), Tahlequah, OK; and
4. Grisso Mansion Annex Remodel, Seminole, OK.

Kuruks was able to open a satellite office in Oklahoma City and is anticipating securing its SBA 8a designation in 2018, opening the door to sustained growth from Government contracts.

StoneWolf Casino started “Cowboy Country Nights” in August 2017. Live music events are scheduled once a month in conjunction with Stillwater Radio with a cross-promotion of interviews at KGFY Cowboy 105.5 and the performance in Howler’s that same evening after restaurant hours. Performances in 2017 included several artists such as Bo Phillips and local favorite and tribal member, Gilbert Beard.
