Jeff Goodfox, Chairman
Pawnee Tribal Development Corporation
Pawnee, Oklahoma 74058

Subject: Letter of Resignation

Dear Chairman Goodfox,

Nawa, after consulting with my family, colleagues and a discussion with the Gaming Commission Director it is with careful consideration for the future, that I submit this letter as my formal resignation from the Pawnee Tribal Development Corporation (PTDC). I am thankful to have had the opportunity to have served as a PTDC Board member. I have gained a wealth of knowledge about the gaming industry and more specifically Pawnee Nation gaming operations as well as other PTDC business operations. I feel that I have accomplished the goals that I set out as a PTDC Board member and feel that I brought a lot to the table with my business acumen and experience. Further, I am confident in my PTDC Board colleagues and the management leadership of Mr. Robert Dimmick, CEO and Mr. Andrew Knife Chief, COO. And under this continued leadership I have no doubt that the PTDC will be successful and progressive in the gaming and business industries.

In addition, I took into consideration my goals and objectives that I have set for this term as Treasurer of the Pawnee Business Council. I have set (4) major goals: 1. Develop legislation to formalize the Budget Process. 2. Achieve Self-Governance status for IHS and BIA which includes (3) years of clean audits. 3. Develop legislation for a net gaming revenue percentage distribution to the Tribe. 4. Develop legislation and a transition plan for gaming revenue to not be utilized in the same year that it was received for securing Tribal Budget security. These goals and objectives will be time consuming and challenging and will require collaboration and coordination between the Tribal Government and the Pawnee Tribal Development Corporation. Therefore, although I will not be a PTDC Board member I will still be working with the PTDC in completion of these goals and objectives within the next four years. Further, I will continue to advocate for the PTDC as a PBC member and Tribal member by attending meetings.

I stand by ALL decisions and actions I made as a PTDC Board member. For the reasons as stated above I submit my resignation. Tatachikstehu.

Respectfully,

M. Angela Thompson
