VOTE: Phammie Littlesun - yes, Adrian Spottedhorsechief - yes, M. Angela Thompson - yes, Dawna Hare - yes, Liana Chapman Teter - yes, and Vice President Pratt – not voting. Motion Carries.

VIII. Open Forum

Phammie Littlesun asked where the need for a Quarterly meeting came from.

Duane Pratt answered-The reason it is done is because it is good and informative. There wasn’t this many programs or activates when they started. Not everyone could run to the tribal offices to conduct business. This would provide a setting for tribal members to gather together and get information. Things change if there is a better idea, like to have these meetings semiannually or annually.

Phammie Littlesun wants to look at doing away with the Quarterly meetings in the constitution changes.

Liana Chapman-Teter stated that this has been discussed in Governing documents to going annually.

M. Angela Thompson stated that we are at the point that Council needs to own the documents and start working on them so that changes can be made and we can move forward.
